

# SINGLE CYLINDER **KITS**

In 1955 Arrow Engine Company opened for business, beginning the tradition of providing premium service and exceptional products to the oil & gas industry, as well as the industrial engine market, throughout the world.

Arrow Engine Company is part of the TriMas Corporation. TriMas consists of 11 business units with 2007 revenues of \$1 billion and maintains a workforce of over 5,000 people at 80 different facilities in 10 countries around the world.

With a consistent focus on our customers' needs, striving to help them grow their business, and producing the most reliable equipment and parts in the industry, Arrow has forged a 54 year tradition of excellence.
